

In The Name of God
(Curriculum Vitae)

Updated Sept 2025

Name Fazlollah Ahmadi
Address Faculty of Medical Sciences, Tarbiat Modares University,
Nasr Bridge, Tehran, Iran, P.O.Box. 14155-4838.
Telephone +98 21 82883553 Fax: +98 21 82884555
Email ahmadif @ modares.ac.ir
fazlollaha@gmail.com
Nationality Iranian
Date of birth 1958
Marital Status Married
Profile professor and faculty member of Nursing Department, Faculty
of Medical Sciences, Tarbiat Modares University.

Education

1983 – 1987 Shahid Beheshti University: BScN, RN (Nursing)
1988 – 1990 Tarbiat Modares University: MScN (Nursing)
1998 – 2002 Tarbiat Modares University: PhD (Nursing)

Experiences as clinical nurse:

1982 -2001: Tehran Clinic Hospital in-charge of Coronary Care Unit

Academic profile

Instructor: Tarbiat Modares University, Tehran, Iran, (1988-2002)
Assistant professor: Tarbiat Modares University, Tehran, Iran (2002-2006)
Associate professor: Tarbiat Modares University, Tehran, Iran (2006 - 2011)
Full Professor: Tarbiat Modares University ; Tehran ,Iran, (2011 ever)

Research interest

Qualitative Research (Grounded Theory, Action Research)
Cardiovascular Nursing
Chronic Care, Quality of Life & Life style,
Psychometric Properties

Curriculum Vitae at a Glance:

- **Academic Rank:** Assistant Professor (2001), Associate Professor (2006), Full Professor (2011)
- Director of Education, Faculty of Medical Sciences (6 years)
- Vice Dean for Education, Faculty of Medical Sciences, Tarbiat Modares University (12 years)
- Experience as a Faculty Member: 35 years; Concurrent Clinical Practice: 21 years
- Conducted Qualitative Research Workshops at Medical Sciences Universities across the country (Over 70 workshops) - igr.ir
- Nationally Ranked First in Qualitative Studies (Ministry of Health's Expert Finder System) - <https://esid.research.ac.ir/>
- Supervised over 40 PhD dissertations and over 60 Master's theses
- Served as an official advisor on over 100 theses and dissertations in (Nursing, Medical Education, Health Education & Promotion, Reproductive Health and Psychology)
- Instructor for courses in Qualitative Research, Mixed-Methods Research, and Instrument Design in Health Sciences
- Invited Speaker at over 75 national congresses and conferences
- 275 articles in indexed international journals with an H-Index of 35 - <https://isid.research.ac.ir/>
- 215 articles in reputable Persian journals - <https://sid.ir/fa/journal/SearchPaper.aspx?writer=3988>
- Google Scholar H-Index: 66 - https://scholar.google.com/citations?hl=en&user=Zk8frEYAAAAJ&view_op=list_works&sort=pubdate
- Designed the Follow-up Care Model, implemented by students and professors nationwide, resulting in the publication of over 80 domestic and international articles.
- Distinguished University Professor of the Year (2006) and Top Researcher for multiple years
- 13th Outstanding Medical Scientist and Researcher in the country (Islamic World Science Citation Center - ISC), March 10, 2013
- 9th Outstanding Medical Scientist in the country (Islamic World Science Citation Center - ISC), October 30, 2013
- Introduction of the Distinguished Professor of the Year by the Professor Dr. Madah Scientific-Cultural Nursing Foundation 2025.

Research history:

All of the research activities were conducted with the participation of my MScN , Ph.D students and Colleagues
