Since 1991, I have been serving as a faculty member, actively engaged in educational, research, and administrative capacities; concurrently, from 1985 to 1996 and continuing thereafter, I have maintained direct clinical nursing experience across various healthcare settings. To date, I have had the privilege of supervising and advising numerous (about 100 students) Master's and PhD students at Tarbiat Modares University and other medical sciences universities across the country. Beyond my scientific pursuits, I have held significant executive positions, including Vice-Dean for Student and Cultural Affairs, Dean of the Faculty of Medical Sciences, and Chair of the Medical Ethics Committee at Tarbiat Modares University. I currently serve as a member of the Nursing Specialty Board at the Ministry of Health, Treatment and Medical Education, and as a member of the Nursing Ethics Committee of the Academy of Medical Sciences of the Islamic Republic of Iran.

Furthermore, I have had the privilege of serving as an instructor in the delivery of over 100 research methodology workshops for graduate students and faculty members at medical sciences universities across the country.
